Clothing Consignment

When you donate your clothing or purchase at these locations **and** specify that you would like money from your purchases to go to New Hope Midcoast, you support our work in two ways: 1) our clients can shop at these businesses using the money in our account; and 2) surplus funds come back to directly support our services.

Below is a list of the shops with which we consign followed by phone and location. **Please note:** It is always best to call the store before bringing items to consign.
